

Corporate HR

A robust and scalable Cloud-based platform with easy-to-use intuitive solutions for HR Training, Event, and Relationship Management!

Human capital is a key factor in the success of any organization. From finding the right candidate, to new hire on-boarding, to effective training and staff development, your Human Resources Department is a primary gatekeeper in your drive toward excellence. HR departments, equipped with the right tools and techniques, can help employees develop new skill sets, enhance productivity, encourage loyalty to the organization, and improve overall performance. Using an employee database is not enough to get the desired result--you need to reach out to your employees, hone their soft and technical skills, and motivate them. Acteva equips your HR department with the tools they need to effectively set up, manage, and track their employee-related events and programs, such as recruitment, training and development courses, webinars (for enterprises with multiple locations), staff appreciation and motivation workshops, and ongoing certification and accreditation courses. Acteva helps your HR department do all this in a hassle free and efficient manner.

Be more effective and deliver greater returns with Acteva's enterprise-class event, training and employee management solutions that suit every budget and industry vertical. Acteva's highly scalable and customizable solutions are available on subscription basis – Software as a Service (SaaS) or On-Demand. It significantly cuts down overall operation time, risk factors, and costs in terms of employee management, marketing, logistics, administration and so on. You can start with basic package and seamlessly leverage additional capabilities as your HR management requirements increase.
